PROGRAM OBJECTIVES

At the conclusion of this program, participants will be able to:

1. Distinguish between the Centers for Medicare and Medicaid Services (CMS) regulations and The Joint Commission standards, and the role of state agencies for deemed status in your healthcare setting(s).
2. Describe implications of CMS's revisions to Appendix Q and Immediate Jeopardy.
3. Explain strategies for complying with new or challenging Conditions of Participation (CoPs) in your practice setting(s).
