<p>Wilhelmina Lewis, MD President/Chief Executive Officer</p>	<p>Laura Huete, MD, MBA, FACMQ, CMQ Senior Medical Director</p>								
<p>Alejandro Miquel, MD, MBA, FAAFP Vice President Clinical Affairs/Chief Medical Officer</p>	<p>Samantha Neal, RN Sr. Occupational Health Manager</p>								
	<p>Kim Walztoni MSN, RN-BC Vice President, Occupational Health</p>								
<p>12:45pm- 1:15pm (CT) BREAK</p>	<p style="text-align: center;"><i>Questions are welcome!</i></p>								

1:15pm - 1:45pm (CT)

Use of Telehealth During the Pandemic

An overview of the expansion of telehealth during COVID-19 and a discussion of The Joint standards and survey process to evaluate the quality and safety of telehealth services.

Christina L. Cordero, PhD, MPH

Project Director
Department of Standards and Survey Methods
Division of Healthcare Quality Evaluation
The Joint Commission

Avoiding Bumps in the Road: Perspectives on Challenging Standards and Updates

Top ten frequently cited environment of care and life safety standards found during ambulatory care. Insightful perspectives from subject matter experts related to strategies for survey readiness and methods for demonstrating compliance.

1:45pm - 3:00pm (CT)

Concurrent Breakout Tracks

Track A – For Medical, Dental & Episodic Settings

Herman McKenzie, MBA, CHSP

Director, Engineering
Standards Interpretation Group
The Joint Commission

Track B – For Surgical & Diagnostic / Therapeutic Settings

Kenneth “Beau” Hebert, Jr., MAOM, CHSP,

CHEP Engineer
SIG/Department of Engineering
The Joint Commission

3:00pm - 3:30pm (CT)

Wrap up & Q&A follow-up, Adjourn

PROGRAM DAY 2: Thursday, November 4, 2021

10:00am-10:10am (CT)

Welcome & Announcements

10:10am-11:40am (CT)

Infection Control Amidst a Pandemic

Infection control subject matter experts discuss hurdles and strategies related to frequently cited IC standards, and common questions asked by ambulatory care organizations.

Diane M. Cullen, MSN, MBA, RN, CIC

Associate Director
Standards Interpretation Group Division
of Healthcare Improvement
The Joint Commission

Elizabeth Even, MSN, CEN Associate

Director
Standards Interpretation Group Division
of Healthcare Improvement
The Joint Commission

11:40am-12:30pm (CT)

Emergency Management Standards for Ambulatory Care Organizations

Whether it's a natural disaster or a sustained public health crisis, emergencies can place stress on the delivery of safe, high-quality ambulatory health care. This session offers helpful tips and strategies to ensure organizations maintain a true state of preparedness.

Angela Murray MSN, RN, TNS

Project Director-Clinical
Department of Standards & Survey
Methods Division of Healthcare Quality
Evaluation The Joint Commission

Marisa Voelkel, BSN, MBA, CHSP,

CHEP Engineer
Department of Engineering
Standards Interpretation Group
The Joint Commission

12:30pm-1:00pm (CT)

BREAK

1:00pm-2:00pm (CT)

Patient Safety & National Patient Safety Goals in Ambulatory Care

Health care organizations moving toward high reliability must have leaders who are committed to zero harm, have a fully functional culture of safety, and leverage Robust Process Improvement (RPI) methods. This session will discuss the connection between high reliability and Joint Commission's Ambulatory Health Care National Patient Safety Goals.

Steven Chinn, DPM, MS, MBA, FACHE, CPHQ, CJCP, CPPS

Principal Consultant
Joint Commission Resources

2:00pm-2:30pm (CT)

Wrap up & Q&A follow-up, Adjourn

PROGRAM DAY 3: Friday, November 5, 2021

10:00am-10:10am (CT)

Welcome & Announcements

10:10am-11:30am (CT)

Environment of Care and Life Safety in Ambulatory Care

Explore the challenges related to the Environment of Care standards in ambulatory health care. Learn how a thorough environmental assessment, mock-tracer findings, and other sensible compliance strategies, can make a difference in patient safety and quality in your ambulatory care environment.

Jim Grana, MBA, CHSP Engineer
Department of Engineering
The Joint Commission

11:30am-12:30pm (CT)

Navigating Leadership & Performance Improvement in Uncertain Times

This session will highlight key performance improvement strategies/tools for championing strategic leadership to promote and sustain change.

Stephen Anderson, MBA, BSN, RN, FACHE,
CJCP Principal Consultant
Joint Commission Resources

12:30pm-1:00pm (CT)

BREAK

1:00pm-2:00pm (CT)

The Journey Ahead

Learn about standards and survey process-related topics and projects currently being development. This session will help provide you a vision of landscape for Joint Commission's accredited ambulatory care organizations.

Joyce Webb, RN, MBA
Project Director
Division of Healthcare Quality
Evaluation The Joint Commission

2:00pm-2:30pm (CT)

Closing remarks & Q&A follow-up, Adjourn

Learning Objectives:

At the conclusion of this program, participants will be able to:

1. Describe important updates with The Joint Commission's ambulatory care accreditation's processes.
2. Recall key infection control issues and potential solutions related to COVID-19 and common inquiries by ambulatory care organizations.
3. Identify compliance strategies that can be used to improve and sustain patient safety and quality in ambulatory care settings.
