

# One-stop access to JCR's online education and publication catalog!

**Learning Made More Convenient & Accessible**

The Digital Learning Center is an easy-to-use, virtual-learning service provided to health care organizations with a paid, annual subscription. This premium subscription provides unlimited access for all staff to our catalog of education and publications resources. Learn from the experts, access the newest content and educate your teams in the most convenient way possible.

A single subscription provides unlimited access to all your staff. Customize your learning experience with our collection of webinars, videos, select digital newsletters and e-books and more – all in one location. It also includes full access to all *PolicySource™* health care settings – for hospitals, critical access hospitals, home care, behavioral health care and human services, and ambulatory care. Get up to speed quickly on the latest Joint Commission standards updates.

## FEATURES

Substantial savings vs. purchasing resources individually

Learn from content regularly updated by subject matter experts

Earn continuing education credits upon completion of various sessions

Receive monthly alerts when new and updated items are available

### JCR Digital Learning Center Content

Provide an unlimited number of users within your organization access to our entire course catalog through our Learning Management System. Our catalog focuses on compliance issues and strategies across health care settings, plus CMS compliance for deemed hospitals.
