

Kathleen M. Dunn-Cane

MS, RN-BC
Field Representative
Ambulatory Care
The Joint Commission

Ms. Dunn-Cane has more than 33 years of nursing experience in a wide variety of health care settings and served in key executive leadership positions for over 13 years. Her expertise in ambulatory and hospital operations, patient safety, infection control, performance improvement and quality standards established a strong foundation as a surveyor for The Joint Commission.

As the Chief, Clinical Operations and Nursing Force Management, she was responsible for oversight of clinic operations and directed the clinical care and practice for 3 hospitals and 10 ambulatory care facilities. Ms. Dunn-Cane was actively responsible for ensuring quality health care delivery and compliance with all regulations and standards for 715 thousand patients. She retired from the US Air Force prior to joining the Joint Commission.

Ms. Dunn-Cane received her Bachelor of Science degree in Nursing from Loretto Heights College, Denver, CO and her Master of Science in Human Resource Management from Troy State University, Shaw Air Force Base Campus, SC. She is currently licensed in Texas as a registered nurse and is certified in Nursing Professional Development. Ms. Dunn-Cane served as the President for the Association for Nursing Professional Development (formerly National Nursing Staff Development) from July 2011 to July 2014.
