

Mary E. Kelly

MBA, RN, CNRN, FAHA
Disease Specific Reviewer
The Joint Commission

Mary Kelly is presently a Reviewer for the Disease Specific Care Program and reviews stroke programs across the continuum. Mary has been a DSC Stroke reviewer since 2009.

Mary has held positions from bedside clinical nurse to large system stroke director in the Chicago Metro area. Mary is fellow of the American Heart/Stroke Association and a member of the American Association of Neurological Nurses and the Neurocritical Care Society. She has a degree in Business Administration from Marquette University Milwaukee, WI, a degree in nursing from Northern Illinois University DeKalb, IL, and an MBA in Health Administration from St. Xavier University, Chicago, IL.

Mary chooses to work at the Joint Commission to help promote excellent care of the stroke patient population.
