**DNP, APRN, ACNS-BS, CCRN-K, SCRN,  
FAHA**

Disease-Specific Care Stroke Reviewer  
The Joint Commission

Susan Ashcraft, DNP, APRN, ACNS-BC, CCRN-K, SCRN, FAHA is a neurocritical care clinical nurse specialist at Novant Health in North Carolina. She is a member of the North Carolina Stroke Advisory Council participating on several committees to improve delivery of care throughout the state. Susan is also a member of the Council on Cardiovascular and Stroke Nursing through AHA/ASA.

She has served as a Joint Commission Disease-Specific Care Stroke Reviewer since 2007 and has focused her expertise on the Comprehensive Stroke Center certification process. Susan has published and lectured on a variety of stroke care related topics including requirements for all levels of stroke program certification.
