

Tabitha Vieweg

MBA, BSN, RN
Associate Director
The Joint Commission

Tabitha Vieweg is an Associate Director with The Joint Commission and has been with the organization since October 2013. In addition to managing a team of Project Directors who are responsible for developing and maintaining standards across all lines of business, she is responsible for developing and maintaining requirements for the stroke programs offered by The Joint Commission and the American Heart/American Stroke Association.

Ms. Vieweg is a Certified Change Agent. With this designation, she supports the Joint Commission's activities associated with establishing and sustaining a robust process improvement (RPI®) culture. As a Certified Change Agent, Ms. Vieweg is trained in change management and facilitation and serves as a resource to leaders responsible for departmental or system-wide initiatives to make improvements to better meet customer expectations and organization objectives.

Prior to joining The Joint Commission, Ms. Vieweg was the manager of Case Management and Social Work at Presence Saint Joseph Medical Center in Joliet, IL. She has over 20 years of nursing experience in pediatric and adult care, quality management, case management, disease management, and information technology in a healthcare setting.

Ms. Vieweg graduated with her BSN from University of Saint Francis in Joliet, IL and her MBA with a concentration in Health Services from Keller Graduate School of Management in Downers Grove, IL.
