

Terri Harman

MS, BSRT, RRT

Field Representative, Home Care Program
The Joint Commission

Mrs. Harman has been a surveyor in the Home Care Accreditation Program since 2003 and surveys the standards in the Comprehensive Accreditation Manual/Accreditation Manual for Home Care.

Mrs. Harman has over 25 years of experience in the medical field including the home medical equipment industry. Terri is a resident of West Virginia and is licensed as a Respiratory Therapist in both West Virginia and Virginia. She received her Bachelor of Science Degree in Respiratory Therapy from The College of West Virginia and Master of Science Degree in Strategic Leadership from Mountain State University, Beckley, West Virginia.

In addition to surveying for The Joint Commission, Terri currently works as a contract therapist in the DME/home care field. Prior experience includes academics, home health, hospice and management of accreditation services for a large health care system.
